## STATEMENT OF ENDORSEMENT

"We, the undersigned, believe that every Pennsylvanian needs access to community, volunteer, health and human service information and referral for everyday needs and in times of crisis preparedness and response. We, therefore, endorse statewide coverage and implementation of the three-digit telephone number 2-1-1 for information and referral. We endorse 2-1-1 as a public/private partnership, and call for federal, state, local, non-profit, foundation and business investment to bring 2-1-1 to every community in the Commonwealth."
