

# GREAT things happen when you GIVE.

“Until this happened,  
we always had  
enough to get by.”

- \$5 a week gives a dad who has been laid off a gas card so he can get to interviews and get a job.
- \$10 a week keeps a family's electricity, heat, and water running until they're back on their feet after an emergency.
- \$20 a week helps a single mom with a car repair so she can continue to work.
