FOOD DRIVE**

Welcome to the Operation Helping Hand Food Drive.

Make your food drive a success in 4 easy steps:

1. Get support from your team's leader(s).
2. Determine your food collection dates. All drives must conclude on March 15, 2018, but you decide the length of your drive (1 - 2 weeks is usually best).
3. Register your on-line at <http://weblink.donorperfect.com/OHH2018> or Contact Brian Phillips at bphillips@inspirefcu.org, Danielle Bush at danielleb@uwbucks.org, or Heather Foor at hfoor@bcoc.org to let them know your team will be lending a helping hand. They will also match you with a local Food Pantry to deliver to on March 15.
4. Promote your Operation Helping Hand Food Drive:
 - Set up competitions between teams or departments.
 - Let your clients, customers, and vendors know how they can help.
 - Use low and no cost promotional tools (email, handmade flyers, social media).
