LIVE UNITED™

YOU ARE
UNITED WAY

Your gift to United Way of Bucks County means help for today, and a better tomorrow.

Street Outreach

Homework is easier when you actually have a home.

Pre-K Scholarships

All children deserve a safe place to learn.

Emergency Needs

A one-time crisis shouldn't cost a family everything.

Fresh Connect

Everyone should be healthy, not hungry.

WITH YOUR HELP

We meet people where they are (living outside or in their car), and get them in to a safe place to live.

We provide scholarships so that parents can work and kids are safe, cared for, and ready to learn.

We keep the electric on, and the car running so families and seniors can stay in their homes and people can get to work.

We provide nutritious, shelf-stable meals and access to fresh fruits and vegetables.
