## Community First

At United Way of Bucks County, we put community first.

When we say 'We're here for you, Bucks County,' we mean it. Whether there's a flood, pandemic, economic downturn, or family crisis – we're here. For every person in every zip code. Why? Because we believe that helping each other succeed is the best way to strengthen our entire community.

As we look ahead, we don't know what's around the next turn. We do know that many of our neighbors are struggling – and things will only get better if we unite. If you want to make an impact right here in our own backyards, give today.

Together, we can change lives *for good*.
